Having the best benefits means nothing without the network to back them up. Ours is built on nearly 90 years of proven strength and stability serving your community, and comes with the support of a local, caring team that’s always here when you need it.

LOCAL

Our plans offer a robust network of doctors, hospitals, and pharmacies that allows you to receive care from the providers you already know and trust. In the New York counties we serve, **we offer the confidence of 99% physician participation and 100% hospital participation.**

NATIONAL

- **HMO-POS Plans** – If you find yourself traveling out of our network, you still have the freedom to receive covered services from other doctors and hospitals without having to pay the full cost.
- **PPO Plans** – The most flexible of our plan types, PPO members have access to our BlueCard® program, a national provider network that spans more than 2,200 counties, 47 states, and two territories in 2022.

WORLDWIDE

Enjoy peace of mind if you travel abroad, with worldwide coverage for urgent and emergency care included on every plan.
