Section 1 – Introduction

This directory booklet provides a list of Excellus BlueCross BlueShield’s in-network providers in Broome, Cayuga, Chemung, Chenango, Clinton, Cortland, Delaware, Essex, Franklin, Fulton, Hamilton, Herkimer, Jefferson, Lewis, Madison, Montgomery, Oneida, Onondaga, Oswego, Otsego, Schuyler, St. Lawrence, Steuben, Tioga and Tompkins counties that are part of your health plan network.

About Our Providers

Network providers are the doctors and other healthcare professionals, medical groups, hospitals and other healthcare facilities that have an agreement with us to provide covered services to enrollees in our plans. Use this directory to find network providers available in your area and surrounding areas. The network providers are listed alphabetically by specialty under the county in which they are located. Many of the health care providers in our network join quality programs. The organization does not use quality measures, enrollee experience measures, or cost related measures to select any of our practitioners or hospitals for participation in the network, this includes those treating our Marketplace enrollees.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers. Please Note: Providers accepting new patients are marked in the directory. You can also call the provider to see if they’re accepting new patients.

Appointment Wait Times

The appointment wait times that we expect our Primary Care Providers and Behavioral Services Providers to follow for our plans are:

Primary Care Provider: Routine & Preventive Visits - 4 weeks; Urgently Needed Care – within 24 hours; Emergency Care – 24 hours a day/7 days a week; Non-Urgent Sick Visit – 48 to 72 hours.

Behavioral Health Services Providers: Routine Visits – 10 business days; Urgently Needed Care – within 24 hours; Emergency Care – Immediate by phone/24 hours a day, 7 days a week; Routine Follow-up Visits – 7 calendar days/5 business days.

You will have to choose one of our network providers listed in this Directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP. Look in the “Primary Care Provider” section of this directory to find the PCP’s in your area. Women may also select a provider specializing in obstetrics/gynecology as well as a PCP.

Your PCP will coordinate your covered services. This includes X-rays, laboratory tests, therapies, specialists, hospital admissions and follow-up care. Your PCP also contacts other plan providers for updates about your care and/or treatment. You may change your PCP for any reason, at any time. To change your PCP, call Customer Care.

Although you don't need to get a referral when you receive care from network providers, your physician may have to request approval in advance from Excellus BlueCross BlueShield before some types of services are provided. This is called "prior authorization." For details on the covered services that need prior authorization, please see your Evidence of Coverage. If you receive these services without a prior authorization, you may be responsible for the cost.

Before you receive Acupuncture services, please verify that your plan covers Acupuncture. Also, please verify that your plan covers dental services before seeing a provider. For dental providers located in other counties go to the Dental Search Tool at ExcellusMedicare.com/Dentist. Please Note: Eyewear benefits may not be accepted at some store locations. Call the customer service number on the back of your identification card for more information.

TruHearing™ - Hearing Aids and Routine Hearing Exams

You must use a TruHearing™ provider to receive the TruHearing routine hearing exams and hearing aid benefits. You can call TruHearing™ to ask questions about your hearing benefits, schedule appointments, or to find a provider. It's important to remember that you must schedule all appointments for routine hearing exams and hearing aids through TruHearing™ in order to access your plan covered benefits.

To contact TruHearing™ call: 1-855-205-5519 (TTY: 711). Customer service representatives are available:

- October 1st – March 31st, seven days a week from 8 a.m. to 9 p.m.
- April 1st - September 30th, Monday through Friday from 8 a.m. to 9 p.m

FitOn Health

With our partner FitOn Health, you pay a \$0 copayment for access to a participating fitness facility, online digital fitness classes, and home fitness accessories and equipment. Please see your Evidence of Coverage for more details. To find the fitness centers available to enrollees, you can call FitOn Health Customer Service at 1-855-378-6683 (TTY/TDD users call 711). Monday through Friday, from 8 a.m. to 9 p.m. Website: MyExcellusMedicare.com

FitOn Health is an independent company offering enrollees a fitness benefit.

Your plan has a Point-of-Service (POS) benefit that gives you the extra flexibility to receive some services from doctors, hospitals or other healthcare providers that are not in our provider network without having to pay the entire cost yourself. You will pay more when you use your POS benefit, except in limited cases such as out-of-network dialysis, emergency care or urgently needed care, or services when our network is not available. The POS benefit has a coverage limit per calendar year. Once your costs go above this limit, you will be responsible for 100% of the remaining costs for the out-of-network services. For more information, call Customer Care.

Out-of-Network Provider Claims

In cases where out-of-network providers submit a bill directly to you, you should not pay the bill. Make a copy of the bill for your records and send the original to us for processing and determination of your responsibility for costs, if any.

Send the bill to: **Excellus BlueCross BlueShield**
Attn: Medicare Department
PO Box 21146
Eagan, MN 55121

How To Get After Hours Care

Your Doctor - You can call your doctor's office since your doctor knows your medical history and is the best person to help you. Your doctor may use an answering service or another doctor who is on-call to make sure you get the medical care you need. Your doctor can decide if you need treatment right away or if you can wait for regular office hours. **(If you have a medical emergency don't wait to talk to your doctor. Call 911 or go right to the Emergency Room.)**

24/7 Nurse Call Line - Our Nurse Call Line is available 24/7, 365 days a year so you can talk with an experienced registered nurse who's ready to help you on health-related questions about symptoms and care. **Call 1-800-348-9786 (TTY: 711) 24 hours a day, 7 days a week.**

Emergency and Urgent Care

Emergency Care

Emergency care can always be obtained in or out of the service area from the nearest available provider. **If you have a medical emergency, get medical help as quickly as possible. Call 911 or go to the nearest emergency room, hospital or urgent care center.** You don't need to get approval first from your doctor or other network provider. However, please try to contact your physician about your emergency as soon as you can. Your physician will provide or help you arrange for the appropriate follow-up care.

You are covered worldwide for emergency care. A medical emergency is when you believe that your health is at serious risk. This can include sudden pain, a bad injury, a sudden illness or a medical condition that is quickly getting worse. For more information on emergency services, please see your Evidence of Coverage.

Urgently Needed Care

You are covered worldwide for urgently needed care. Urgently needed care refers to when you have a medical condition that requires attention but you do not expect or anticipate that your health is in serious danger. This can include an unforeseen illness, injury or medical condition.

When in the service area, you must use our network providers for urgent care. When out of the service area, urgent care can be obtained from the first available provider. Urgently needed care is covered out-of-network when you are temporarily away from your authorized service area (not in your hometown area) and it is not reasonable to get medical care from a provider who is in our network.

In addition, when out of the service area you can get dialysis treatment from a qualified dialysis provider.

With the exception of emergencies, it may cost you more to get care from out-of-network providers.
