### **Annual Notice of Changes for 2024**

You are currently enrolled as a member of Medicare Blue Choice Extra (HMO). Next year, there will be changes to the plan's costs and benefits. Please see page 1 for a Summary of Important Costs including Premium.

This document tells about the changes to your plan. To get more information about costs, benefits, or rules please review the Evidence of Coverage, which is located on our website [www.ExcellusMedicare.com](http://www.ExcellusMedicare.com). You may also call Customer Care to ask us to mail you an Evidence of Coverage.

**You have from October 15 until December 7 to make changes to your Medicare coverage for next year.**

---

#### **What to do now**

##### **1. ASK: Which changes apply to you**

- Check the changes to our benefits and costs to see if they affect you.
  - Review the changes to Medicare care costs (doctor, hospital).
  - Review the changes to our drug coverage, including authorization requirements and costs.
  - Think about how much you will spend on premiums, deductibles, and cost sharing.
- Check the changes in the 2024 "Drug List" to make sure the drugs you currently take are still covered.
- Check to see if your primary care doctors, specialists, hospitals, and other providers, including pharmacies will be in our network next year.
- Think about whether you are happy with our plan.

OMB Approval 0938-1051(Expires: February 29, 2024)

## **2. COMPARE:** Learn about other plan choices

- Check coverage and costs of plans in your area. Use the Medicare Plan Finder at [www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare) website or review the list in the back of your Medicare & You 2024 handbook.
- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

## **3. CHOOSE:** Decide whether you want to change your plan

- If you don't join another plan by December 7, 2023, you will stay in Medicare Blue Choice Extra (HMO).
- To change to a **different plan**, you can switch plans between October 15 and December 7. Your new coverage will start January 1, 2024. This will end your enrollment with Medicare Blue Choice Extra (HMO).
- If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

Your monthly premium will be less if you are receiving “Extra Help” with your prescription drug costs. Please see Section 6 regarding “Extra Help” from Medicare.

**Section 1.2 – Changes to Your Maximum Out-of-Pocket Amount**

Medicare requires all health plans to limit how much you pay out-of-pocket for the year. These limits are called the maximum out-of-pocket amounts. Once you reach this amount, you generally pay nothing for covered services for the rest of the year.

## Section 1.5 – Changes to Part D Prescription Drug Coverage

---

### Changes to Our “Drug List”

---

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our “Drug List” is provided electronically.

We made changes to our “Drug List,” which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. Review the “Drug List” to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.

Most of the changes in the “Drug List” are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online “Drug List” to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Customer Care for more information.

### Changes to Prescription Drug Costs

---

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the Low Income Subsidy Rider or the LIS Rider), which tells you about your drug costs. If you receive “Extra Help” and if you haven’t received this insert by September 30, 2023, please call Customer Care and ask for the LIS Rider.

There are four **drug payment stages**.

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (**Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.**)

**Changes to the Coverage Gap and Catastrophic Coverage Stages**

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.**

Beginning in 2024, if you reach the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs.

For specific information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your Evidence of Coverage.

**SECTION 3 Deciding Which Plan to Choose**

**Section 3.1 – If you want to stay in Medicare Blue Choice Extra (HMO)**

**To stay in our plan, you don't need to do anything.** If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in Medicare Blue Choice Extra (HMO) for 2024.

**Section 3.2 – If you want to change plans**

We hope to keep you as a member next year but if you want to change plans for 2024 follow these steps:

**Step 1: Learn about and compare your choices**

- You can join a different Medicare health plan,
- OR -- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 1.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder ([www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare)), read the Medicare & You 2024 handbook call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

As a reminder, Excellus BlueCross BlueShield offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

**Step 2: Change your coverage**

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Medicare Blue Choice Extra (HMO).
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Medicare Blue Choice Extra (HMO).
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact Customer Care if you need more information on how to do this.
  - – or – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

## **SECTION 4 Deadline for Changing Plans**

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2024.

### **Are there other times of the year to make a change?**

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2024, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2024.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage at any time. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

You can call HIICAP at 1-800-701-0501. You can learn more about HIICAP by visiting their website ([aging.ny.gov/programs/medicare-and-health-insurance](http://aging.ny.gov/programs/medicare-and-health-insurance)).
