Which doctors, hospitals, and pharmacies can I use?

Medicare Blue Choice 026 (HMO-POS) and **Medicare Blue Choice 027 (HMO-POS)** have a network of doctors, hospitals, and other providers.

Medicare Blue Choice 026 (HMO-POS) also has a network of pharmacies. You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's provider/pharmacy directory at our website at [medicare.excellusbcbs.com](https://www.medicare.excellusbcbs.com). Or call us and we will send you a copy of the directory.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers—and more. Some of the extra benefits are outlined in this booklet.

Medicare Blue Choice 026 (HMO-POS) covers Part D drugs. You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website at [medicare.excellusbcbs.com](https://www.medicare.excellusbcbs.com). Or call us and we will send you a copy of the formulary.

In addition, **Medicare Blue Choice 026 (HMO-POS)** and **Medicare Blue Choice 027 (HMO-POS)** cover Part B drugs including chemotherapy and some drugs administered by your provider.

How will I determine my drug costs with Medicare Blue Choice 026 (HMO-POS)?

Medicare Blue Choice 026 (HMO-POS) groups each medication into "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Deductible, Initial Coverage and Catastrophic Coverage.
