Section 1 – Introduction

This directory booklet provides a list of Excellus BlueCross BlueShield's network providers and pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage (EOC) and Medicare BlueActive (PPO)'s, Medicare BlueClassic (PPO)'s, Medicare BlueEnhanced (PPO)'s, Medicare BlueEssential (PPO)'s, Medicare BlueFlex (PPO)'s or Medicare BluePlus (PPO)'s formulary.

About Our Providers

Network providers are the doctors and other healthcare professionals, medical groups, hospitals and other healthcare facilities that have an agreement with us to provide covered services to enrollees in our plans. Use this directory to find network providers available in your area and surrounding areas. The network providers are listed alphabetically by specialty under the county in which they are located. Many of the health care providers in our network join quality programs. The organization does not use quality measures, enrollee experience measures, or cost related measures to select any of our practitioners or hospitals for participation in the network, this includes those treating our Marketplace enrollees.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers. Please Note: Providers accepting new patients are marked in the directory. You can also call the provider to see if they're accepting new patients.

Appointment Wait Times

The appointment wait times that we expect our Primary Care Providers and Behavioral Services Providers to follow for our plans are:

Primary Care Provider: Routine & Preventive Visits - 4 weeks; Urgently Needed Care – within 24 hours; Emergency Care – 24 hours a day/7 days a week; Non-Urgent Sick Visit – 48 to 72 hours.

Behavioral Health Services Providers: Routine Visits – 10 business days; Urgently Needed Care – within 24 hours; Emergency Care – Immediate by phone/24 hours a day, 7 days a week; Routine Follow-up Visits – 7 calendar days/5 business days.

You may choose to receive your care from either in-network or out-of-network providers. We provide reimbursement for covered services regardless of whether they are provided in or out-of-network, as long as they are medically necessary. However, before getting services from out-of-network providers you may want to confirm with us that the services you are getting are covered services and are medically necessary. If we later determine that the

services are not covered or were not medically necessary, we may deny coverage and you will be responsible for the entire cost. (Please note that we cannot pay a provider who has opted out of the Medicare program. Check with your out-of-network provider before receiving services to confirm that he or she accepts Medicare.)

Out-of-network providers are under no obligation to treat Excellus BlueCross BlueShield enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Care Service Department at 1-877-883-9577, Monday – Friday, 8:00 a.m. – 8:00 p.m. From October 1 – March 31, 8:00 a.m. – 8:00 p.m., seven days a week. TTY/TDD users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

While you don't need to get a referral when you receive care from in or out-of-network providers, prior authorization may be required to receive some services. For details on covered services that need prior authorization, please see your Evidence of Coverage. If you receive these services without prior authorization, you may be responsible for the charges.

Before you receive Acupuncture services, please verify that your plan covers Acupuncture. Also, please verify that your plan covers dental services before seeing a provider. For dental providers located in other counties go to the Dental Search Tool at <https://medicare.excellusbcbs.com/find-a-doctor/dentist>. Please Note: Eyewear benefits may not be accepted at some store locations. Call the customer service number on the back of your identification card for more information.

Although it is not necessary to do so, you may choose a Primary Care Provider (PCP) who can help coordinate all your medical care. Look in the “Primary Care Provider” section of this directory to find the PCP’s in your area. Generally, you will get your routine or basic care from your PCP. Your PCP will coordinate the rest of the covered services you need as well. This includes X-rays, laboratory tests, therapies, specialists, hospital admissions and follow-up care. Your PCP also contacts other plan providers for updates about your care and/or treatment. You may change your PCP for any reason, at any time. To change your PCP, call Customer Care. Women may also select a provider specializing in obstetrics/gynecology as well as a PCP.

About Our Pharmacies

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan enrollees. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 12/8/25 . For the most current list, please contact us. Our contact information appears on the front and back cover pages.

Home Infusion Therapy is covered if your prescription drug is on our formulary and approved for home infusion therapy, you have a prescription to have it infused, and you get your home infusion therapy from one of our network pharmacies.

Residents of a long-term care facility may access their prescription drugs covered under Excellus BlueCross BlueShield through the facility's long-term care pharmacy or another network long-term care pharmacy.

Only Native Americans and Alaska Natives have access to Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies through Excellus BlueCross BlueShield's pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with a "P" to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. To opt out of the automatic refill program, please contact the home delivery pharmacy you use to fill prescriptions, either Express Scripts Pharmacy or Wegmans Home Delivery Pharmacy.

If you choose not to use the auto-refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs from 5 to 10 business days from the time that the mail order pharmacy receives the order.

Mail Order Pharmacies

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. To opt out of the automatic refill program, please contact the home delivery pharmacy you use to fill prescriptions, either Express Scripts Pharmacy or Wegmans Home Delivery Pharmacy.

If you choose not to use the auto-refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs from 5 to 10 business days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-877-883-9577 (TTY: 711) Monday - Friday, 8 a.m. - 8 p.m. From October 1 - March 31, 8 a.m. - 8 p.m., 7 days a week.
